

Compass Minerals®

A Partner in Lyons Progress For more than 100 years

Since 1911, Compass Minerals has been a proud member of the Rice County community

A leading provider of essential minerals, the Lyons plant produces water conditioning products to help combat the effects of hard water throughout North America, and produces and packages bulk food-grade salt and salt for agriculture uses.

Named one of Forbes' 100 Most Trustworthy Companies in America in 2015, Compass Minerals' mission is to be the best essential minerals company by delivering where and when it matters.

Through the responsible transformation of the earth's natural resources, Compass Minerals helps keep people safe, feed the world and enrich lives every day.
