Where we market your cattle, not just sell them.
The difference equals an auctioneer and competitive bidding!

Market Report Feb. 15, 2018

What a great auction we had! We want to thank all producers who participated. You all brought us top quality cattle. We had good weather, the board was positive and in our favor, and all employees worked hard and had their game face on all day. This allowed us to have a great market. Take a close look at what some of these light calves brought. It may not be too early to market your fall calves.
