HELP WANTED • DENTAL ASSISTANT

We are looking for an assistant to join our team at Lyons Dental Care. We have a fast paced, fun filled general dentistry practice where we see patients of all ages. We get to connect with our patients and make a difference in their lives. Experience preferred, but not necessary, we will train on the job. Bilingual would be beneficial but not necessary.

- assisting the dentist during a variety of treatment procedures (fillings, extractions, orthodontics, implants, root canals)
- taking and developing dental radiographs (x-rays)
- preparing and sterilizing instruments and equipment
- helping patients feel comfortable before, during and after dental treatment
- providing patients with instructions for oral care following dental procedures
- performing office management tasks that often require the use of a personal computer
- communicating with patients and suppliers (e.g., scheduling appointments, answering the telephone, billing and ordering supplies)
