Clara Barton Hospital to Host 2nd Annual Bottoms Up Bike Ride

Clara Barton Hospital will be hosting their 2nd Annual Bottoms Up Bike Ride on Saturday, September 1st in conjunction with the other community Labor Day festivities. After a successful first bike ride last year, the staff at Clara Barton Hospital is eager for their second annual event, featuring a new family-friendly ride along the Bicentennial Park Trail as well as a long-distance route for the avid riders.

The cycling event will take place on Saturday morning with registration beginning at 6:30 a.m. at the Hoisington Bicentennial Park Shelter and the ride kicking off at 7:30 a.m. The 1-mile family-friendly ride will loop throughout Bicentennial Park, an easy ride for all ages and abilities.

The 35-mile long distance route will loop through the rolling hills of scenic northern Barton County traveling through Susank, Beaver, Odin, and catching a glimpse of the beautiful Cheyenne Bottoms Marsh area before ending the ride back at Bicentennial Park. The bike ride will be led by Clara Barton Hospital employees and experienced bike enthusiast.

This is not a race, but an event for all abilities. The long-distance ride

will not incorporate a support service vehicle, but a SAG stop will be available at the Odin Store. Cost to participate is \$10.00, pre-registration is not required.

Registration forms are available on both the Hospital's website: www.clarabartonhospital.com and on the Hoisington Chamber of Commerce website: www.hoisingtonkansas.com/laborday2017.
