

Grand Marshall - Dave McMillon

Dave grew up in Wichita, Ks, graduating from Wichita East High School in 1973. He attended Kansas State University earning a Bachelor of Arts in 1977 followed by his Doctor of Veterinary Medicine degree in 1980.

Professional Career
He joined Hoisington Veterinary Hospital in June of 1980 and moved to Hoisington. He bought the practice from Ray Ganoung in 1989. He maintained a solo practice hospital until 2009 when he hired Dr. Lindsay Mitchell as an associate. Dr. Mitchell, in turn, purchased the practice in March 2015. Dave continued to work part-time for the Downs Veterinary Clinic during the winter of 2016-2017.

He is a lifetime member of the American Veterinary Medical Association (AVMA), the Kansas VMA, and, during his active practice years, a member of the American Bovine Practitioner's Association.

Community Involvement

Dave is a member of the First United Methodist Church, joining when he moved to Hoisington. He has been involved for many years on the Administrative council, serving several years as chairman. He also chaired the Finance Committee for six years. Dave served three years each on the Trustees committee and the Staff/Paster-Parish relations committee. Of course, he taught high school Sunday school for several years.

He is very pleased to be one of the original board members for the Clara Barton Hospital Foundation. "I was on the Foundation board

for 12 years including several years as chairman. I was one of the organizers for the first foundation benefit auction and golf tournaments and emceed the foundation auction for more than 20 years," Dave said.

In his spare time, he coached baseball for Hoisington Boys little league, Babe Ruth, and K-18 teams for about ten years. His teams earned awards such as the Babe Ruth Regional tournament sportsmanship awards two years

in a row. In 2016, his team won the K-18 State championship. He was honored to be an assistant coach for the Babe Ruth West team at the 2013 East/West All-Star game.

Finally, he has volunteered for a variety of Hoisington Labor Day activities over the years.

Active Retirement
Dave is married to the gracious Peggy (Maddox). Between six grandchild to enjoy, they find themselves on the go - a lot. Dave jets

to his son's home near Nashville or his daughters in Columbus, Ohio, to catch the grandchildren's sporting events or, as they have grown, graduations. Sometimes, he will drive so he can take the tools of his other passion - metal detecting.

His other hobby is finding the right fixer-upper house and refurbishing it. Somehow that hobby does not have the same instant gratification that hearing the right beeps through the detector's head phones.
