CENTURY FARM — Rea Farms is one of the oldest farms in the county and has earned the designation of a Century Farm in Tennessee. Fans of John Deere equipment, the Rea Family poses with a tractor and salesman many decades ago. Pictured are (top of tractor) Shannon, Steve and Andy Rea; (standing) Charles, Ben, Paul, and Bill Rea with their John Deere salesman. Many years later in front of the same tractor, the boys are all grown up and manning the legacy operation. They are (top of tractor) William, Terry and Benjamin Rea; (bottom) Bill, Andy, Kyla, Katie and Shannon Rea.
