

National Ag Day, March 20, 2018

SPECIAL DELIVERY — Woodrow, a miniature Austrian shepherd, joins the Vincent family for grain hauls in the farm semi truck. Vincent Family Farms was established in 1963 in Weakley County. The family has a long tradition of row crop and dairy farming. The iconic John Deere tractors sold locally started out with the Vincent family and the business was proudly named Vincent Implements in Martin before Tennessee Tractor began its enterprise throughout West Tennessee.
