

Home Sweet Home in Weakley County

THE PRESS reached out to city leaders in Dresden, Gleason, Greenfield, Martin and Sharon to identify a house that has won an award, has historical significance, or is just a town favorite. Here you see five photos – one from each town.

ENTER TO WIN -- For a prize, take your best guess at identifying which house is in which town. Then fill in your answers on the printed page, take a photo of the page, and email it to editorwcp@gmail.com. We'll collect all the correct answers and draw for a winner.

SHARE YOUR FAVORITE -- You can also offer a photo of one of your favorite homes in the area by taking a photo and adding it to our Weakley County Homes 2018 photo album on Facebook. In two weeks, we'll do a feature story (in the May 10th) issue on the home with the most votes.
