

## Gleason From Page 21

Council vice-president and G-Club vice-president. He is the class treasurer and has served as an officer the previous 3 years. Seth is also a member of the Beta Club, Science Club, Spanish Club, FCCLA and FFA. He was awarded first place in the 2018 GHS Science Fair. He has been in the top ten of the class all four years of high school. He has played on the Gleason Bulldogs football and baseball teams the last four years and served as football team captain his senior year. Seth was chosen for the 2017 All-Region Football Team and the 2018 All-District Baseball Team. He was a member of 2015-2016 Weakley County Youth Leadership class and the 2017 West-Star RisingStar Summit. He was the recipient of the DAR Good Citizen Award as well as a delegate for the American Legion Boys State. He attends Gleason First United Methodist Church, where he is an active member in the youth group. Seth has been accepted to the University of Tennessee at Martin, where he plans to major in Ag Business.

**Tobias Dillard**, Gleason High School Graduate, was rewarded the Top Ten Award of his class this graduation year. He has received this award all four years of his high school career and feels truly blessed to be in good standing at the top of his class. He has worked harder at my education than anything else he has done to make it where he is now. He plans to make it as far as he can with a degree in college. Tobias is confident and knows for a fact that he will reach his goal. His goals and strong self-determination are the things that have driven him to do well in his educational career, and he is positive that he will do just as good in accomplishing the rest of my education.

**Cameron Harrison:** I have two proud parents, Blake and Amanda Harrison. I have attended Gleason High School since freshman year and have been active in the following clubs: Beta Club, Student Council, Spanish Club, Science Club, G-Club, and FCCLA. In my senior year, I have been elected as Treasurer for both Spanish Club and Student Council and have been elected Secretary for Beta Club. Since I have taken Duel Credit classes I will graduate with distinction, and I will graduate in Top Ten. I will attend the University of Tennessee at Martin in the fall of 2018 and will receive a bachelor's degree in Chemistry.

**Jayne-Shaye Bailey** is the daughter of Randy and Kelle Bailey. She attends the First United Methodist Church in Gleason, Tennessee. She was her class secretary, cheerleading captain, on the FCA Leadership team, and served as the Gleason FFA chapter president for two years. She is involved with many leadership organizations that have honored her with the West Star Leadership award, as well as the West Tennessee Governor's Star award. Jayne-Shaye will attend Bethel University in fall, on a cheerleading scholarship, where she plans to major in nursing.

**Ericka Denton** is the daughter of Pamela Bell and Nick Denton and the stepdaughter to Eddie Bell. Ericka has 2 brothers, Greg Bell and Isaac Denton, and she has three sisters, Brittaney Hopkins, Christine Hill, and Deena Bell. She was in top 10 both her junior and senior year. She has played softball all 5 years, and she had cheered both her junior and senior year also. She has been a part of FCCLA since sophomore year and this year, she was named the reporter. She has also been a part of G-Club, Spanish Club, Fine Arts, Student Council, and Beta. Lastly, she was in top 10 her junior year and will

finish out being in the top 10 her senior year as well.

**Jayden Anderson Green** as many know, loves basketball. But basketball is far from the only defining point of her life. She is many things; a daughter, a sister, an

aunt, a Christian, a niece, a granddaughter, and a friend. Jayden is ranked number 10 in her class and has been involved in various school clubs and activities throughout her life as a Gleason Bulldog. She has been honored academi-

cally as well as athletically and along with that will continue her education at Bethel University as a Lady Wildcat on a full basketball scholarship. She is undecided in her career choice at this time. Jayden is also a member of the McKenzie

Church of Christ in McKenzie, TN. Jayden has accomplished many things throughout her life and I am confident she will continue to make us, her parents, as well as all of those who support her, proud as well.

# NOW HIRING THE CLASS OF 2018

*Begin an exciting career today!*
