

# Great American Airshow

September 15 at Discovery Park of America

Just imagine sitting on the Great Lawn of Discovery Park of America, listening to the national anthem and watching people dive out of planes in the sky overhead!

You'll get the chance during the Fourth Annual Great American Airshow planned to begin at 5 p.m. Sept. 15, and one of the premier events to the Obion County Cornfest. The park plans to waive admission and allow guests to come in free beginning at 3 p.m. This year's airshow will be as exciting as ever as skydivers, planes flying in formation, music and a sky full of smoke set the stage for a fantastic evening of swirling and twirling!

"We are letting people come in free starting at 3 p.m. because the experience is so much better when you watch it from the Great Lawn," said event director Lauren Jones. "We want to give everyone time to get in so that they can enjoy our bounce houses and food trucks that goes along with the show," she added.

The fun begins at 3 p.m. bounce houses, beverage tents and yard games setting the stage for the evening ahead. There will be a stage with an air boss talking to the crowd on the ground about what's going on in the air.

So, grab your quilts, your kids, your friends and plan to head to Discovery Park of America on Sept. 15 for the fourth annual Great American Airshow. The park is open beginning at 10 a.m., but admission is free beginning at 3 p.m. Members and other guests who pay admission will have the first opportunity to grab

a spot on the Great Lawn to watch the show, organizers said.

The airshow is sponsored by Vaughn Electric Company, Center Point Business Solutions, Everett Stewart Regional Airport, Moustos Pasta and Grill and Taylor Ford Lincoln.
