

Anna Loff. The cancellations from each year the post office was open hang on the wall in the lobby and tie in with the WMSTR theme.

The Rollag Post Office attracts all kinds of stamp collectors. I don't know how up-to-date you are on stamps, but I was surprised to find that they sell scratch n' sniff stamps. They also have a stamp called the moon eclipse. If you press your finger down on the stamp, it makes an eclipse. They also put hidden images on stamps. Anne showed me
