Fire up the 36 hp Rumely, the 1913 75 hp Case, the Reeves, the Minneapolis; the Marion Steam Shovel, the Montana Boiler and 353—All aboard! Threshing 2018, featuring Homebuilt Creations is right around the corner (August 31 - September 3) and taking you back 100 years.

On the hill you will come across Hickson Depot built

in 1920 in Hickson, ND and made the move to the hill in 1973; the Thick n' Thin Sawmill; the Freeport Flour Mill; a thriving threshing community, a century-old farm and a village demonstrating life in the 1800s. The things you will see and the folks you will meet as you travel back in time is like no other adventure you've taken before.
