Governor signs proclamation announcing October 8-14, 2018 as IAHCE Week in Illinois

Across Illinois, October 8-14, 2018 marks Illinois Association Home and Community Week. Governor Rauner has issued a Proclamation in recognition of this important observance in commendation of IAHCE members for the dedication and commitment to the welfare of local communities throughout our state.

Since 1924, members of the Illinois Association for Home and Community Education (IAHCE) have been promoting social and economic wellbeing in Illinois homes and neighborhoods. Originally known as the Home Bureau Federation for farm wives, over the years the organization has continually evolved to meet changing times and needs; today the IAHCE is an edu-

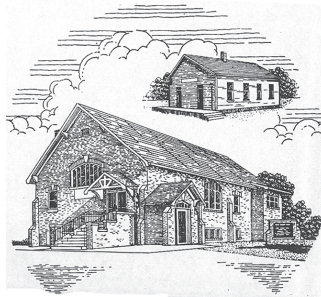

cation and community service organization comprised of over 6,200 men and women from 74 associations in 102 counties.

The mission of IAHCE is to enhance the lives of individuals and families through quality education programs and experiences encouraging responsible leadership and service to the community.

"It is awesome to see how far-reaching the education and service projects extend", said IAHCE President Jane Chapman. "The members are making a big impact in their communities and internationally. Through all the changes these ladies have seen in life, the one thing that stays the same is the need to serve and show compassion to others. They

The past few weeks I have been troubled about the lack of civility in our country. I see it in our politicians. I see it in our state leaders. I see it in the media. I see it on the streets. I see it everywhere.

What has happened to us? Everyone seems to be looking out for their own self-interest. People just want their voice to be heard to the detriment of others. People are not willing to see the other side of a story, to have a conversation, to work together for a solution. No, everyone seems to think they are right and everyone else is wrong.

We have lost our way. We want to be important. We want to have all the answers. Unfortunately, we are all wrong. Only God has the answers. What we need to do is depend on God

to lead us in the way we should go. God does not always give us answers but he will listen and he will guide. We have to be willing to hear and follow.

2 Corinthians 12: 9 And he(Jesus) said unto me(Paul), My grace is sufficient for thee: for my strength is made perfect in weakness.

I think this verse speaks to this situation. We need to depend on God and his grace. We are weak but he is strong. We need to remember that. We need to work together for good not tear each other apart.

Here's the thing....Let the Love of God be shown to all. Work together. Each of us has a part to play and we need to work together so that all those parts become a whole. This week be civil to each other, speak with care, and show love.

have stepped up and done this faithfully," she continued.

IAHCE members volunteer their skills and energy to many different community service projects for persons of all walks of life that include sending our troops care packages, making blankets for children in crisis situations and hospitals, and recycling.

Educational program range from nutrition to finance and are shared

throughout the world.

Working together, these IAHCE members across the Land of Lincoln volunteered more than 607,000 hours of their time to service projects last year.
