

THE BICENTENNIAL COMMITTEE is very excited to announce that a historic Wayne County Bicentennial quilt will be auctioned off at the celebration on Saturday, September 15 at 3 p.m. The quilt is queen sized, red, white and blue colored, with 19 blocks. The center block is the bicentennial logo and the other 18 are historic photos representing the voting precincts of Wayne County. Tonya Deckard, left in photo, of Sue's Quilt Shop in Patterson, did the quilting, and Mortina Williams (right) volunteered to make the quilt. This will be a wonderful and one of a kind historic keepsake for someone.
