Bicentennial Book

Will Celebrate Wayne County's 200th Anniversary and Her People from the Past to the Present

On Dec. 11, 1818, the county of Wayne in Missouri was formed. Known as the "State of Wayne" it once accounted for about 25% of the entire area of Missouri. At its largest, Wayne County stretched all the way south to the Arkansas border and west to the Kansas border.

This Limited Edition Book Will Feature

- Both a deluxe hard cover edition (300 copies) (has 4 extra photo pages) and a soft cover edition (200 copies)
- 150-200 pages in an 8.5x11 large-format size
- Sponsor recognition page and sponsor ad section
- Overall history from Wayne County's and Missouri's beginnings to today
- A chapter for each of our 10 townships and their towns and communities
- Driving tour of Wayne County's historic gems, natural wonders and unique attractions
- Salute to our many historians who through the years have preserved our rich history and heritage
