

THE PIEDMONT AREA CHAMBER OF COMMERCE urges festivalgoers to come to Piedmont early to find a parking place. People are urged to walk from their parking spot to the parade and then the festival grounds. This will eliminate congestion in town. Several parking locations will be open—a lot owned by Turnbough Building Supply, a parking lot on Ash Street will be reserved to handicap-parking only, and at Rotary Park below the car show. Several thousand people always attend the festival. It is a homecoming of sorts, a time to renew friendships and make new ones.
