State Sen. Chapin Rose (R-Mahomet) hosted Tuscola High School students and dozens of other students from other high school students from across the 51st Senate District April 2 at the Statehouse for his Youth Advisory Council. Rose's bi-annual Youth Advisory Council gives students a unique, hands-on, and up-close experience in state government. Rose spoke about his experience in the legislature, discussed how bills become law, and what it's like to work in the political arena. Students also heard from other speakers in public policy and toured the Capitol. The students, who were selected by their teachers and principals to participate, also worked in small groups to propose mock legislation, and then discussed and debated their proposals with the entire group. Pictured from left are Sen. Rose, Ashton Smith, Jacob Craddock, J.D. Barrett.

Below: The Tuscola Rotary Club was joined by Boy Scout Troop 95 among several other volunteers to plant 180 trees at Walnut Point State Park on Earth Day Sunday, April 22. The community effort was part of the club's project that also included the purchase of trees planted in the city of Tuscola and a Johnny Applesseed tree at North Ward Elementary School
