

October is College Changes Everything Month in Illinois

ISAC and Partners Offer More Than 1,000 Free College Application and FAFSA® Completion Workshops in Over 200 Locations

CHICAGO—If you are a senior in high school, a parent of a student, or an adult looking to head back to school, there's a free workshop in your area this October to help make college possible for you or your student in 2019-20. Now in its third year, Governor Rauner has proclaimed October College Changes Everything® Month (CCE Month), when the state's college access and financial aid agency, the Illinois Student Assistance Commission (ISAC) and partners will be assisting students with college applications and putting them in the best position possible to receive the funding they need to attend. In recognition of the Illinois Bicentennial, more than 200 official CCE Month sites across the state will hold both college application and financial aid events.

Sidney Village Board Cont'd from pg. 1

mittee Chair Jason Arrasmith's report was not heard as he was called out on a fire call during the meeting. President White reported that there had been no permits issued, that there was no ESDA report, that cars were still being worked on, and that there was nothing to report concerning sidewalks.

There was no Community Development report as Sidney Village Board Trustee and Community Development Chair Leroy Schluter was not in attendance.

Sidney Village Board Trustee and Parks and Recreation Chair Tyler Bickers reported he is still looking for a Sidney Ball Commissioner to take over the Sidney Ball Program.

Discussion concerning the need for a new furnace for the village shed took place and further discussion was tabled and added to the agenda of the Monday, November 5 Village of Sidney Board of Trustees meeting.

The Village of Sidney Board of Trustees meeting was brought to adjourn-

Sidney Scoop cont'd from pg. 2

night trick or treat hours from 5:00 – 8:00 p.m.

The Sidney Fire Protection District will have a trick or treating open house on Halloween night Wednesday, October 31 from 5:00 – 8:00 p.m. at the Sidney Fire Station located at 302 South David Street. Bring your children by and visit with members of the Sidney Fire Department!

The next regular monthly meeting of the Village of Sidney Board of Trustees will take place on Monday, November 5 at 7:00 p.m. in the Sidney Community Building located at 221 South David Street in downtown Sidney. The public is always welcome and encouraged to attend and all monthly meetings, unless otherwise posted, are held in the Sidney Community Building meeting room.

Have a great week! If you or your organization have news items you want published drop a line to Ann Rhoton at P. O. Box 491, Sidney, IL 61877 or call (217) 688-2812; don't hesitate to leave a message if there's no answer.

News items must be turned in by 10:00 a.m. each Friday to be published in the following week's paper. Items submitted after the deadline will be published in the following week's column.

"As we look to the future of this great state during the Illinois Bicentennial, we know that ensuring a skilled workforce will be critical to our economic stability and growth," said Eric Zarnikow, executive director of ISAC. "Every Illinois resident deserves the opportunity to choose to earn a postsecondary credential or degree that can improve their earning potential and help them advance their long-term career goals. CCE Month helps even the playing field by providing free assistance to students and families so they can make informed choices about their education and access all the financial aid for which they might be eligible."

October is a busy month for high school seniors and others planning to attend college the following fall. The Free Application for Federal Student Aid (FAFSA®), the form that determines eligibility for federal and some state and institutional

financial aid, becomes available on October 1st for the 2019-20 school year. Because some state aid, such as the Monetary Award Program (MAP grant) is awarded on a first-come, first-served basis, students need to complete the FAFSA as soon as possible in order to have the chance to access as much financial aid as possible. At the same time, students are also completing their college applications.

During CCE Month, students and families can attend free workshops at their high school or public locations in their community to fill out college applications and/or complete their FAFSAs right then and there, with direct assistance from college and financial aid experts.

To search by ZIP Code for a free public event near you, visit studentportal/isac.org/events. Students and parents should also check directly with their high schools for events within their own school.

Many statewide workshops

are hosted or supported by the ISACorps, recent college graduates who are trained to serve as near peer mentors to high school students. The ISACorps also provide free one-on-one assistance to students and families. To find your local ISACorps member, visit studentportal/isac.org/isacorps.

ISAC will also be providing answers to financial aid questions during Facebook Live events in October. Visit ISAC on Facebook @ILStudentAssistance for dates and times. Personalized assistance is also available through ISAC College Q&A (isac.org/qa) a text messaging service where students can get answers to their college and financial aid questions sent directly to their phones. The award-winning ISAC Student Portal (isac.org/studentportal) offers free online tools and resources for students. ISAC also offers assistance through the agency's call center, 1-800-899-4722 (ISAC).

ISAC supports high schools

and counselors who would like to participate in CCE Month with a downloadable toolkit, materials and event support. Find out more at collegechangeseverything.org/ccmonth.

About ISAC The mission of the Illinois Student Assistance Commission (ISAC) is to help make college accessible and affordable for students throughout Illinois. ISAC provides comprehensive, objective, and timely information on education and financial aid for students and their families—giving them access to the tools they need to make the educational choices that are right for them. Then, through the state scholarship and grant programs ISAC administers, ISAC can help students make those choices a reality. Find us at isac.org and follow us on Facebook (@ILStudentAssistance), Twitter

and on Instagram @ISACfi-aid.

About College Changes Everything

College Changes Everything® (CCE) is a college access movement that recognizes that college can be a life changing experience not only for students, but also for families and communities. In Illinois and across the nation, those who obtain education beyond high school not only see a significant impact on their potential career prospects and future salary, but also change levels of poverty, life expectancy, crime and obesity rates in their communities. CCE is an essential part of helping Illinois reach its goal of increasing the proportion of adults in the state with high quality degrees or credentials to 60% by 2025. Find out more and join the conversation at collegechangeseverything.org.
