

Jackie McClinton

Lt. Jackie McClinton has been a firefighter for 27 years and has worked for the Humboldt Fire Department for 18 years. He has completed special training courses and received his CPR and Automated External Defibrillator certifications. McClinton stated that his best memory since working with the HFD is, "When the potato building was on fire on North Ave., the smoke was so intense that it was coming through the fire station truck hall on Main St. I was a dispatcher at the time and an off-duty fireman called over the radio to ask what street the fire was on. I told him to just follow the smoke."

Robert Ward

Lt. Robert Ward has been a firefighter for 10 years but has worked with the Humboldt Fire Department for four years. He has completed special training courses and received his CPR and Automated External Defibrillator certifications. Ward stated that his best memories with the HFD have come from being around the other firefighters and being able to serve the city.

Randall Jimenez

Firefighter Randall Jimenez has been a firefighter for four years and has spent all four years at the Humboldt Fire Department. He has completed special training courses and received his Firefighter 1, Firefighter 2, Hazardous Materials Operations and Awareness, CPR, Automated External Defibrillator and Emergency Medical Responder certifications. Jimenez stated that his best memory since being with the HFD is putting out his first house fire.

Tony Bailey

Firefighter Tony Bailey has been a firefighter for 21 years and has spent all 21 years with the Humboldt Fire Department. He has completed special training courses and received his CPR and Automated External Defibrillator certifications. Bailey stated that one of his best memories from the HFD would have to be working with Charlie Carter, as Carter would have them all laughing until the point of tears. Bailey said, "He was quite a character." Bailey also stated that as far as calls go, some of his best memories have come from the several occasions where he and the other firefighters have been able to save lives.

THANKS, FIREFIGHTERS

We salute the brave
firefighters in our
community and
across the
country for their
tireless dedication
to keeping us safe.
