

# SENIOR SURVEYS

*from page 8*

while at HHS, Dickerson replied, "Learning about how Economics was the most important subject, then to just sit around and not doing nothing." His wish for those that he leaves behind at HHS is to have a good life. "Don't let nobody tell you what you can't do, you just have to outsmart them."

## **Heaven Leigh Donald**

Heaven Leigh Donald is the daughter of Tyronda Donald and Terrence Williams. After graduation, she plans to attend and complete nursing school. Her favorite HHS activity is the pep rallies and her favorite teacher is Mr. Mike Adams. Personal Finance with Mr. Ingram is her favorite class because it helps you with life after high school. Her fondest HHS memory is the first day of senior year and meeting up with her classmates. The greatest lesson she learned while at HHS is that it pays off to keep yourself busy and it pays off to try in class – but what pays off the most is being true to yourself. When asked about her wish for those she leaves behind, Donald said, "To continue to push forward no matter how hard it gets."

## **Devin Epperson**

Devin Epperson is the son of Deone Epperson and Kimberly Simmons. His plans after graduation include attending Nossie College of Art in Nashville. His favorite HHS activity is baseball and his favorite teacher is Mr. Kendall. Coding 1 and 2 are his favorite classes because they are hands-on. His fondest HHS memories are Friday night-lights and baseball evenings. The greatest lesson he has learned since being at HHS is don't get in trouble on game day or conditioning day. His wish for those he leaves behind at HHS is, "Be great!"

## **Kireston Feisthamel**

Kireston Feisthamel is the daughter of Julie Feisthamel. After graduation, she plans to be a dialysis tech. Her favorite HHS activity is softball and her favorite teacher is Mr. Adams. Applied mathematical concepts is her favorite class because it's math. When asked about her wish for those she leaves behind, Feisthamel said, "Greatness."

## **Ka'Sheonna Fowler**

Ka'Sheonna Fowler is the daughter of

Darnell Tate. Her plans after graduation include attending Jackson State for two years and transferring to another college so that she can become a pediatric nurse. Her favorite teacher is Mrs. Hunt and her favorite class is math because that's her favorite subject. Her fondest memory at HHS is being able to be the boy's basketball manager and going to every game, supporting them and being able to go to state with them. "That was the best memory ever," she replied. The greatest lesson she has learned since being at HHS is to never get in trouble for anybody else. Her wish for those she leaves behind at HHS is, she said, "Focus on your work and yourself to get excellent grades because your friends won't help you do anything. You have to go through life by yourself, your friends won't be there every step of the way."

## **Ivery Futrell**

Ivery Futrell is the daughter of Koren Conner and John Futrell. After graduation, she plans to go to college and start a career. Her favorite HHS activities are the homecoming activities and her favorite teacher is Mrs. Hunt. Spanish is her favorite class because she loves how fun her teacher makes the class. Her fondest HHS memory is when they visited Bethel as a group. The greatest lesson she has learned at HHS is Economics. When asked about her wish for those she leaves behind at HHS, Futrell said, "I hope that they have a great successful life."

## **Jamee "Skylor" Gibson**

Jamee Skylor Gibson is the daughter of Danica Montague. Her plans after graduation include attending Tennessee State University and pursuing a doctorate in Pharmacy. Cheering is her favorite HHS activity and her favorite teachers are Mrs. Shirley Daniels and Mrs. Rita Steward. Coach Ingram's coding class is her favorite class because she learned the ins and outs of life. Her fondest HHS memory is "cheering on our men and women on the basketball sideline. The screams, jumping up and down and going to state." The greatest lesson she learned while at HHS is don't take things personal and personality does matter. Her wish for those she leaves behind at HHS is, she said, "Lightheartedness and motivation."

## **Jamie Gilman**

Jamie Gilman is the daughter of Nancy and

Guy Gilman. After graduation, she plans to get her CNA license. Her favorite HHS activity and class is band and her favorite teacher is Mrs. Rosie. Her fondest memory at HHS is of her and her friend struggling in bridge math. The greatest lesson she has learned while at HHS is how to be patient. When asked about her wish for those she leaves behind at HHS, Gilman said, "I wish that they would be more mature and grow up."

## **Amija Lashae' Glenn**

Amija Lashae' Glenn is the daughter of Tracy and Greg Lenon. Her plans after graduation include attending SWCC in Memphis and earning an associates degree in social work. Cheering is her favorite HHS activity and her favorite teachers are Mr. Adams and Mr. Ingram. Computer Science Foundations is her favorite class because it involves a lot of hands-on activities and technology. When asked about her fondest HHS activity, Glenn replied, "I enjoyed most of my time at HHS but the best part about HHS will always be homecoming week." Her wish for those she leaves behind

at HHS is, she said, "Enjoy your time in high school. It'll go by so fast and surround yourself with positive people."

## **Trent Green**

Trent Green is the son of Trent Green Sr. and Pamela Fowler. After graduation, he plans to attend Bethel University and major in Business. His favorite HHS activity is basketball and his favorite teacher is Mr. Kendall. Coding I and II is his favorite class. His fondest HHS memory is going to the state basketball tournament.

## **Michael Harvey Jr.**

Michael Harvey Jr. is the son of Tiffany and Keith Cole. His plans after graduation include attending TCAT and joining the Tennessee Army National Guard. His favorite teacher is Mr. Tony Kendall and the greatest lesson he has learned at HHS is, he said, "Do your squat thrust." When asked about his wish for those he leaves behind at HHS, he said, "Don't follow the hype."
