

# SENIOR SURVEYS

from page 19

## Aleria Shutes

Aleria Shutes is the daughter of Marquita Warren and Anthony Osler. After graduation, she plans to go to cosmetology school and get her license. Her favorite HHS activity is FFA and her favorite teacher is Mrs. Rosie. Her favorite class is Mrs. Rosie's class because "I love the way she goes over the work with us so we can have a better understanding." Her fondest HHS memory is being the top seller of beef jerky and having fun while doing it. The greatest lesson she has learned at HHS is that you don't have to get in trouble to get attention or show people your true side and to not worry about others opinions. To those she leaves behind at HHS, Shutes said, "Just stay on the teachers good sides and also be true to yourself. Don't be the person you don't want to be just to keep others happy. Life is too short."

## Quinton Verser

Quinton Verser is the son of Terronica Carpenter. His plan after graduation is to go to

college and play ball. His favorite HHS activity is football and his favorite teacher is Mr. Kendall. His favorite class is Coding I and II because it's hands-on. The greatest lesson he has learned at HHS is "don't get caught lacking seniors." When asked about his wish for those he leaves behind at HHS, Verser said, "Be goated."

## Montrez Ward

Montrez Ward is the son of Michelle Love. After graduation, he plans to go to college to pursue his education and play basketball. His favorite HHS activity is basketball and his favorite teacher is Mr. Adams because "we had a great bond with each other and the way he taught it, I had a good understanding." His fondest HHS memory is going to state in basketball. The greatest lesson he has learned at HHS is to stop playing all the time and get your work done first. To those he leaves behind at HHS, Ward said, "Don't play in the classroom, play outside the classroom. Education is first."

## Aleeyah Wardlow

Aleeyah Wardlow is the daughter of

Gwendolyn Hutchinson. Her plans after graduation include enjoying life, going to college, and becoming what she wants to be in life. Cheer and FFA are her favorite HHS activities and her favorite teachers are Mr. Taylor, Mr. Adams, Mr. Wiles, and Mrs. Daniels. Her fondest memory is when the classes of 2016 and 2017 were there. The greatest lesson she has learned at HHS is "don't go all out my body for others when they won't for me." When asked about her wish for those she leaves behind at HHS, Wardlow said, "A joyful high school year."

## Lucas Williams

Lucas Williams is the son of Bonnie and Robert Williams. After graduation, he plans to start college at Jackson State Community College in the fall. His favorite HHS activity is band and his favorite teacher is Mr. Adams. His favorite class is band because "I've learned many things through being in band all four years of high school that aren't just music related." His fondest HHS memory is his first high school band competition. The greatest

lesson he has learned at HHS is don't wait until the last minute to get stuff done. Williams' wish to those he leaves behind at HHS is "the ability to adapt and persevere through the challenges that high school throws at you."

## Daja Willis

Daja Willis is the daughter of David and Tamiko Willis. Her plan after graduation is to attend the University of Tennessee to pursue her degree in Speech Pathology. Cheer is her favorite HHS activity and her favorite teacher is Elvie Patterson. Her favorite class is being an office worker because "I got to be close to the administration and interact in a social environment." Her fondest HHS memory is going to state her senior year and being with her team while they cheered on the boys. The greatest lesson she has learned at HHS is that sometimes you have to stand alone to learn your true potential. When asked about her wish to those she leaves behind at HHS, Willis said, "My wish is for everybody to find happiness within themselves and achieve their dreams."
