

A Blast from the Past 25 Years Ago,

For a unique approach to the upcoming holiday season, take a trip over to Crenshaw's Christmas Tree Farm and Barn via the train which departs from Young's Crossing.

Dear Santa,

I would like a pair of skates. I would also like a skateboard, Micro Machine van and some hickory nuts and an orange under the tree. And I would also like some games like 13 Vead End Drive, and if you don't mind my cousin said all I want for Christmas is my two front teeth. So for his Christmas present send some chicklets for his mouth. Well, I guess thats all I want from you. And Merry Christmas and a Happy New Year, Santa.
