Dennis 'Buddy' Gustafson downed this big, wide thirteen point buck near his house about five miles northwest of Goldthwaite last season. His wife told **The Eagle** that Buddy shot the deer in their back yard from their kitchen window. One man's home is another man's deer blind.

Kinnley Shillings shot this nice ten-point buck last season on her Pops and Mimi's ranch just southwest of Goldthwaite in Mills County.

Noah Brassfield, son of pastor Drew Brassfield at Church of the Hills, bagged his first deer ever this past season at the RRR Ranch. Noah was using "Bull's" 300 black-out. Noah will enter the Texas Big Game Awards first harvest category.

Lauren DellaFranco bagged this nice 10 pt buck on Nov. 9, 2018 at the ranch of Amy & Gordon Hammett in western Mills County. She was hunting with Michael Hammett and used his Ruger .308 rifle for the 120 yard shot.
