Daddy and Mama are so proud of you, Tiffany. You have grown up so fast and become such a wonderful lady. It seems like yesterday we were taking you to Pre-K, watching those little blonde piggy tails bouncing as you walked in your class. We were going to stay the whole day with you, but after a couple of hours of seeing you have a good time, we decided it was time for us to leave because our brave little girl was just fine. From that day on, you took off like a shooting star and never ceased to amaze us. I know your Nanny and Grandma are smiling down on you and are so proud of you. As this chapter closes for you, another one begins. Although we are not ready to let you go, we can't wait to see what your future holds. Never lose sight of your faith, dreams, and goals. Life will get hard at times and you may feel like giving up, but don't - God will get you through it, and of course we will always be here for you. We hope you always keep your amazing work ethic and fun loving personality. You always know how to brighten anyone's day and that's a great quality to have. Always remember to keep God your number one priority in life, for without Him we are nothing. Keep your favorite Scripture tucked deep inside of your heart and if you're having a bad day, say it out loud.

*She is clothed with strength and dignity,  
And she laughs without fear of the future.

**We love you so much, baby girl. YOU DID IT! Now go spread those wings and soar.**
