Does Experience Matter When Choosing Your Supervisor?

YOU BET IT DOES!

I would ask that you decide who you are going to vote for based on experience. You own the county and you're the boss.

Your job is to hire the most experienced person for the job.

I ask that you pray before you vote and ask for God's blessing in whichever box you check.

My Qualifications ...

General Superintendent: Over 40 years of road building and supervising crews on multiple projects. This requires extensive planning and managing multi-million dollar budgets. It also requires me to deal with the local government agencies and the general public. If elected, I will retire from my position as General Superintendent and will be your full-time Supervisor.

Mayor of McLain: I think this gives me more understanding of the process that local government has to abide by in order for any public entity to prosper. It takes long-term planning. We have cut costs by over \$5,000 a year. We strive to give our citizens the most we can get for each tax dollar spent. We have a full-time police officer that won't be laid-off due to financial constraints. We have also invested in our infrastructure to make us more attractive to future business opportunities.

Personal Information: I have been married to Norma Lott McCluskey for 37 years. We have two children, Ric and Britt. We also have two wonderful grandchildren. I am a conservative, pro-life and ask God to guide us in our everyday lives.
