

Primary Election SAMPLE BALLOTS for each district

To follow is a listing of the candidates that will appear on the Democratic and Republican Primary ballots for each district.

All precincts in District 3 and District 4 will use the same party ballots at each precinct. However, due to layout of the districts and posts within them, District One, District Two and District Five will have more than one ballot. See notes on the sample ballots to follow for more information on these splits.

Voters can also go to www.sos.ms.gov/PollingPlace and type in their home address to confirm their voting precinct and see the official list of candidates that will appear on their Democratic or Republican ballot.
