

Practice makes perfect ...

The GCHS men's and women's teams have been hard at it preparing for the season. Here are some scenes from recent practices by the Wildcats and Lady Cats.

Have a GREAT Junior Season!

GCHS grads put talent on display for colleges

From Staff Reports
Greene County High School graduates are continuing to have success using athletics to continue their educations at the next level of competition. This fall has been a good one in that regard for five former Wildcat soccer players and one former GCHS hoops star. Pearl River Community College women's soccer program had three former Lady Wildcats on the roster this year as PRCC made it back to the state tournament. Peyton Rounsaville and Kaitlyn Snyder wrapped up their sophomore seasons for the Lady Cats from Poplarville. Rounsaville played in 27 games during her two seasons, starting 15 of those.

Snyder played in 29 games, started 12 of those, and earned a spot in this year's MACJC All-Star game after helping establish a dominant defensive front for her team. Snyder and Rounsaville were reunited with their former GCHS teammate Tylee McCann this year. McCann had a solid freshman campaign at PRCC with two goals and an assist in 10 games. Up the road at rival Jones College, former GCHS standout Justis Casey wrapped up an impressive juno career by helping lead the Bobcats to their second straight MACJC State Championship. Casey started all 18 games as a freshman for JCJC and followed that up with a strong sophomore campaign

that saw him earn a MACJC Player of the Week award after a 4-goal week in early October that included a hat trick against Southwest and a game winner against Meridian. Daniel Zehner, a 2019 graduate at GCHS, took his talents to East Central Community College in Decatur. Zehner played in 15 games as a freshman defender/midfielder and helped the Warriors make it to the second round of the MACJC playoffs. On the hardwood, GCHS graduate Larue Weaver, is on the roster at Southeastern Baptist College in Laurel. Weaver has seen action in five games for the Mustangs thus far and is averaging just under three points per outing.
