Dear Santa,  
This Christmas I don't want too much. Only a few items are on my wish list. I'll list some. The first thing I want is a Xbox 1. I want it because I want to play with my friends on it. The second item is some cat toys. I know it seems strange that I want this, but the reason I want this is for my cat, Luna. I would love to play with her more. Third is a few canvases, again might seem a tiny bit weird, but I want it because I already have paint and love to paint. Last but not least I want to have fun with my family.

Sincerely, Isabella Dobbins
