WHEN PUBLIC NOTICES REACH THE PUBLIC, EVERYONE BENEFITS.

Public notices tell you what is being done by your government and in your courts. It's your right to know when there's a zoning change, public hearing or election coming up. Do you want to know when a bar or strip club is opening in your neighborhood or if your property is auctioned off? These are just a few types of public notices that are required to run in S.C. newspapers.

There's no better way to notify the public than through the combination of S.C. newspapers and SCPublicNotices.com... the permanency of print paired with the accessibility of a statewide, searchable site.

Public notices/legal ads from virtually all S.C. newspapers are now available online in one convenient location.

This service is provided by S.C. newspapers at no cost to taxpayers.
