Library to host Family Night Out program

The Laurens County Library announces its March Family Night Out program — Gardening. On Monday, March 11 at the Laurens Public Library and on Tuesday, March 12 at the Clinton Public Library, at 6 p.m., join library staff for a celebration of spring with stories and then decorate a small flower pot. Children will learn about the life cycle of plants, starting with the seeds they receive during the program. Parents, grandparents, and caregivers are invited and encouraged to come with their children.

For information on Family Night Out, story time programming, and summer reading, patrons may call the Laurens Public Library at 864-681-7323 or visit www.lcpl.org.
