## Therapy comes in all different sizes

Tiny Trotters Therapy Horses are now "Qualified" through the American Miniature Therapy Horse Association, (AMTHA). In a first for South Carolina, the Executive Director of AMTHA held a miniature horse clinic on March 23 and 24 at Solid Rock Stables in Fountain Inn. The Association is based out of Florida and has qualified horses and handlers in Arizona, California and Florida.

represent the AMTHA as an Evaluator for S.C. "We are breaking the ground in S.C. to meet a standard of care and behavior for therapy horses," she said.

For more information about our Tiny Trotters Therapy Horses, or Let's Saddle Up Therapeutic Riding, contact Sharron Dillard at Letssaddleup4tr@yahoo.com.

Tiny Trotters is a program under Let's Saddle Up, a therapeutic riding program at Solid Rock Stables in Fountain Inn. Let's Saddle Up/Tiny Trotters are a 501c3 nonprofit. Donations are always appreciated.

According to program director Sharron Dillard RN, "Our miniature horses were great in their evaluation. Each one had to demonstrate calmness, acceptable behaviors, cleanliness, while they were led over and around an obstacle course. Part 2 of the evaluation was to go to a facility. With Easter ears and a bunny tail for decoration, they brought smiles to the people that they visited."

**"I can walk now!"**

"When I entered Inpatient Rehab, I had not walked in three years. I can walk now, am more functional and am experiencing more independence. My quality of life has improved greatly. There is a wonderful Christian spirit here, and because I have been so pleased with everything, I plan to continue Outpatient Rehab here."

## Lander to hold transfer week April 15-19

Students interested in transferring to Lander University will be able to complete all aspects of the process during Transfer Week, which will be held on Lander's campus April 15-19.

"Transfer week is a time where students can complete the entire admissions process from application to enrollment," said Kirsten Stewart Connor, Transfer

Admissions Counselor for the Office of Admissions. "They can also complete financial aid applications, have transcripts reviewed, apply for housing, and go on a campus tour."

While transferring students are welcome to visit the Office of Admissions anytime between the hours of 9 a.m. and 5 p.m. each day during Transfer Week, regis-

tering ahead of time ensures that an admissions representative will be available to assist them when they arrive. To register for Transfer Week, call the Lander's Office of Admissions at 864-388-8307 or email to admissions@lander.edu.

To learn more about transfer requirements, go online to www.lander.edu/transfer.

## Clinton farmers win national award

Clinton farmers win national award in soybean yield contest

M. Calvin Young and Sons Farms of Clinton was recently honored for being among the nation's highest-producing soybean farmers of their region in the 2018 Asgrow® National Yield Contest. M. Calvin Young and Sons Farms captured the award with an impressive yield of 119.66 bushels per acre with Asgrow AG49X6 Brand.

"Congratulations to M. Calvin Young and Sons Farms on their outstanding achievement," said Pete Uitenbroek, U.S. DEKALB®, Asgrow and Deltapine Market Lead. "It's exciting to see farmers push yield boundaries through a winning combination of hard work, management skills and exclusive genetics."

Among 56 farmers receiving

awards, more than 23 achieved yields of more than 100 bushels per acre in the 2018 contest. Winning farmers were recently recognized at the 2019 Commodity Classic Feb. 28 to March 2 in Orlando, Fla., with an awards banquet and private concert featuring country music duo Brothers Osborne.

The Asgrow National Yield Contest first debuted in 2012 and encourages soybean producers to challenge their peers in pushing yield limits. The contest also provides farmers the opportunity to learn more about the latest seed technologies and production practices, which contribute to overall advances for farmers across the

country.

The Asgrow brand is focused on providing farmers innovative products that offer strong agronomic characteristics and exclusive genetics developed from an industry-leading breeding program for maximizing yield and profit potential. Farmers who plant Asgrow products benefit from strong emergence and early-season vigor, good standability, and protection against yield-robbing soybean diseases for consistent, proven performance.

To learn more about maximizing yield performance and see a full list of winners, visit Asgrow.com/YieldWinner or contact your local DEKALB Asgrow dealer.
