ALL GIRLS AUTO KNOW — Active members of the Ladies Club at Laurens Middle School recently attended an informative event in Greenville. They traveled to CU-ICAR (the Clemson University International Center for Automotive Research) and participated in "All Girls Auto Know". This was the 12th year for the event which is sponsored by the S.C. Southern Automotive Women's Forum and promotes women in the automobile industry and STEM fields. One part of the event included a hands on tower design activity. Pictured preparing for the collaborative effort are LMS students Terriunna Cunningham (left) and Maryah Hernandez (right).
