Heffley's Bookkeeping & Income Tax Inc. has been serving the Harrah area for 35 years.

The locally owned and operated business specializes in quick tax refunds as well as full charge bookkeeping, all phases of tax preparation and E-file.

The educated and skilled professional staff has well over 35 years of experience with bookkeeping and tax filing services.

Teresa Fryar has worked there 11 years, Collyn Keyes has been on the team for nine year and Cindy Ellerbee is a recent addition to Heffley Bookkeeping.

"I was across the street for a while, and bought this building in 1984," said owner Karen Heffley.

"I actually started doing taxes back in 1975 at my kitchen table so

I didn't have to leave my kids. My children, granddaughter and now great granddaughter have grown up around here. They started out making copies for me, and all cut their teeth on this."

Serving about 500 clients a year, Heffley says she's been working since the age of 13 and has no plans to retire.

She also owns Harrah Disposal, which operates out of the same downtown building, 1941 Church Ave.

They're open 9 a.m. to 6 p.m. Monday through Friday.

Call 405-454-3453 for more information.
