

Letter from Mid-Marion County Rotary Club

Welcome to the 74th Turkey Trot Festival. Mid-Marion County Rotary is excited to offer this festival to you all for the second year. As you read through these pages, we hope you will recognize the commitment and support offered by the businesses listed to ensure Turkey Trot continues to be a success and continues to happen. Without these supporters, Turkey Trot would not be the success it will be this year. Without their support the festival would not happen. So visit these businesses and thank them for their loyal support.

As you flip through this insert you will also find a schedule of events for the weekend of Oct. 11-12. There is information not only on the bands which will be performing, but also on the history of Turkey Trot. While you may notice some changes, such as more music this year. There will still be a lot of the traditional events like the parade. The hope is to help make the Turkey Trot Festival a homecoming event, much like its beginnings, to welcome home those returning from the War. The homecoming now is to welcome back those who have moved away but return for this long running tradition.

One hundred percent of the proceeds from the festival will be used in the local community to benefit youth. This is accomplished through scholarships for college, leadership training for high school juniors, life choice education for students, dictionaries, support for Shots for Tots, the Backpack food program, and many other activities in the community. All these programs are in Marion County and are for the youth of Marion County. Your dollars will support our youth. So come listen to music, shop at the vendors, watch the parade, and reminisce with old friends as well as make some new ones. Have fun and celebrate the beautiful community we live in.

Blake Brinegar, President of Mid-Marion County Rotary Club
