

# Speciality Barbecue Catering Bill and Dave's Smokin Pit

**By Linda Dillon**

Bill & Dave's Smokin Pit has been in business since 2001. They not only produce some of the most deliciously tender BBQ pork, they also serve BBQ ribs, chicken, mutton, beef, and smoked ham, fried chicken, frog legs, fish and soups and salads. Plate lunches and sandwiches are available for carryout, or you can enjoy the buffet dining as well as full menu while watching sports, or other TV shows.

Tell City and the surrounding areas were first introduced to Bill & Dave's Smokin Pit in August of 2001. They were originally located on Main Street in a small building with carryout food only. The demand for their slow cooked meat and special sauces outgrew their facilities. In late November of 2002, they relocated to 11th Street with ample room for dine-in and carryout facilities. Dining rooms at 'Smokin Pit' are available for private parties or banquets with ample seating. The buffet starts at 10:30 a.m. and continues till closing. A variety of

entrees are included as well as homestyle casseroles and vegetables. Their desserts include pies, cobblers, cheesecake, banana pudding, brownies, cake, tiramisu, apple dumplings, fruit trays and cookies!

In addition to their lunch and dinner menus, Bill and Dave's Smokin Pit is a professional caterer. They specialize in weddings, commercial parties, picnics, training lunches, etc.

"We sometimes do three or four events, all at the same time for several different people," Dave said.

All meals include plates, bowls, silverware and napkins, serving spoons and condiments. Most of Bill & Dave's Smokin Pit meals are priced as a 'family style' set up. Sit down meals with extra servers are available at an additional charge.

“We take pride in our healthy and tasty meats cooked fresh daily on our hickory smoked pits,” Dave said.

Bill & Dave's Smokin Pit is located at 1527 11th Street in Tell City, Ind. For reservations, special order events or event consultations, call Dave at 812-547-9900.

“Bill and Dave’s was my first preference when trying to decide on a caterer. The food is always delicious! Dave was great to work with and made the process seem easy. He had suggestions for feeding our group size and went through the menu item by item with us. We had a mashed potato bar along with a salad, Mac and Cheese and other veggies to go with the ham, pork and chicken. It was ALL-delicious! I had so many comments from guests about how great the food was. Not only was the food great, but Dave and his crew made sure everything went as planned! They thought of things that we never would have anticipated and made sure we had everything we needed. When planning a large wedding like ours, we needed someone with Bill & Dave’s expertise. The portions were plentiful, the servers were very polite and they made the entire process stress free and seamless!”

## Wine buying tips

## Say “cheers!”

**with a sparkling wine.** People love a good toast, and nothing washes down a teary maid of honor speech like a glass of sparkling.

**Wine math:**

## What you didn't

learn in school.

running out of wine mid-wedding isn't an option, so it's important to do the math. You should anticipate getting about 5 glasses per bottle and assume that each guest will drink one glass per hour. Follow this rule and the wine will flow all night long, keeping you and your guests happy.

**Don't break the bank,  
but stay away from  
the cheap stuff.**

Choosing an excellent wine doesn't mean paying top-dollar, but buying too cheap can mean sacrificing quality. There are countless high-quality, delicious, wines available for \$10-\$20 per bottle, so leave the cheap stuff on the bottom shelf!

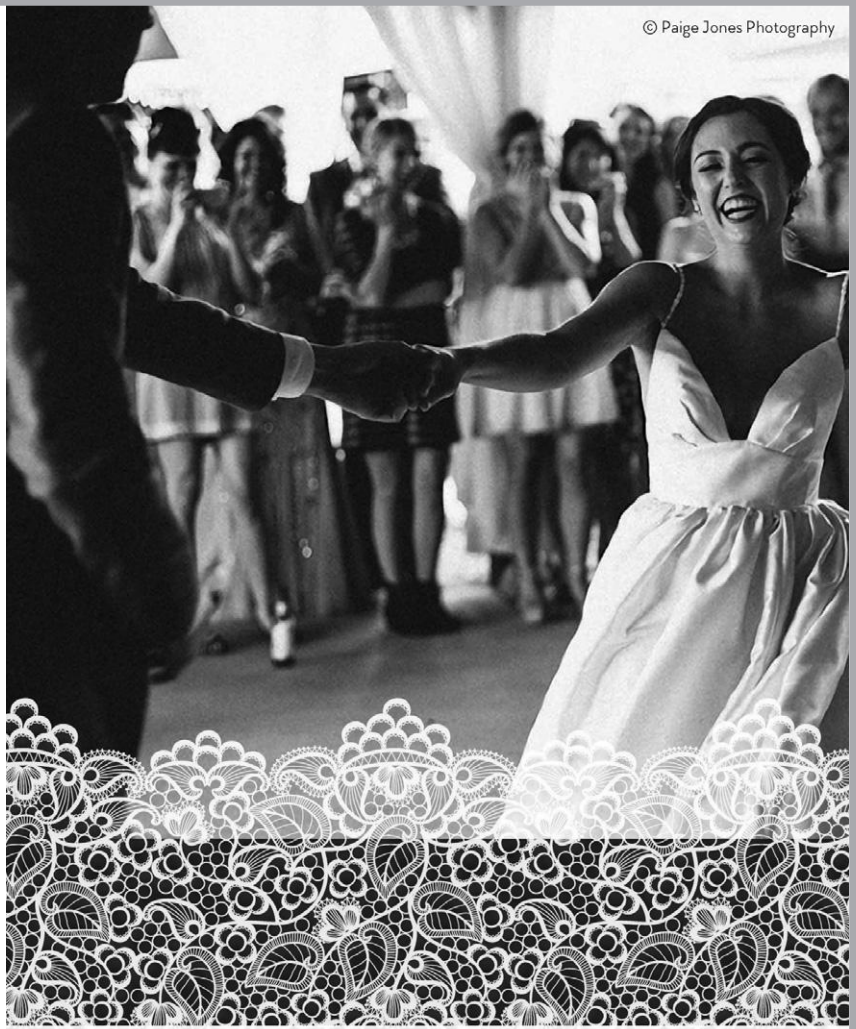

*Express the joy  
of your love  
with an  
unforgettable  
wedding dance*

**Whatever it is that you imagine...**

An elegant waltz between Bride & Groom,  
a tender foxtrot between Dad & Daughter,  
a lively swing dance with the entire wedding party...

**CELEBRATE** your special day  
with memories to last a lifetime.
