

# Landscape & Lawn Care

Evergreen Lawn Care is a locally owned company that started from modest beginnings more than three decades ago. Founded in 1984, it has now flourished into a small empire, and has long been Owensboro's trusted name in creating and maintaining beautiful outdoor spaces at any scale, from large-scale commercial environments to the distinctive space surrounding your home.

Evergreen Lawn Care was originally founded as a lawn mowing and maintenance company. With the business starting to take off, the business owners quickly realized they needed more help. Soon afterwards, Jim West gained part ownership of Evergreen. His commitment to quality and service quickly grew the business, and with his philosophy of always saying 'yes' led to an expansion of services. Jim successfully

took on tasks such as landscaping, mulching, tree and shrub trimming, snow removal, and more.

In 1999, Jim bought out his partners, becoming the sole owner of Evergreen Lawn Care. He continued to add services, including hardscaping, outdoor lighting, and creating outdoor living spaces, as well as irrigation and excavation.

In 2003, Todd West, Jim's son, wanted to follow in his father's footsteps and began to help out with the Evergreen business and quickly started Weed Man of Owensboro, a locally owned franchise

that provides environmentally responsible fertilization, weed control, aeration, and seeding services. Todd and his business partner, Rick Ebelhar, have progressively expanded the company, bringing the Weed Man name to multiple areas all over Western Kentucky and in Southern Indiana.

Today, Todd continues to live by his

father's business philosophy and is now the proud owner of Evergreen, Weed Man, Everscapes Landscape Supply, Snow Business, and Mosquito Joe. His affiliated companies are able to make your outdoors space more alluring and comfortable. They continue to add to their service offerings to better serve their community and customers.

- MOWING • LANDSCAPING
- HARDSCAPING • IRRIGATION
- LIGHTING • TREE REMOVAL
