

Remodeling and new Additions

At J&R Construction, we are an award winning, Design/Build, Home Remodeling Company serving the Owensboro area and surrounding counties.

We specialize in Kitchen and Bath Remodeling, Room Additions, Basement Refinishing, Decks/Porches and Whole House Remodeling.

We love what we do and strive to make sure every client enjoys the process of home remodeling, while keeping customer service and quality first, because relationships matter.

Each client will work alongside a professional Interior Designer, to help you visualize what your remodel will look like and to help bring your vision to reality, as well as a project manager to oversee the implementation of that vision.

Utilizing an online system that keeps our clients in the know during the project, al-

lows for open communication between the client, designer and project manager. All of your decisions will be accessible, along with the project schedule and the ability to track the major milestones of your remodeling project.

Our Owensboro office is located at 121 East 2nd Street, Suite 151 Owensboro, KY. 42303. Owensboro Office Phone: (270) 570-2891

Thank you for allowing us to serve you, for it is your business that is the future of our company.
