

# INVESTING

## IN OUR COMMUNITIES TO MAKE LIFE BETTER

Domtar has been part of some communities for more than a century. We never forget that our company is woven into the fabric of towns and cities around the world. That's why we are proud to invest in causes close to our heart that help put books and paper in classrooms, enhance the health and wellness of our neighbors, and treat environmental stewardship as a sacred trust. It's just our way of doing things.
