Mohawk Animal Hospital

Focusing on care and service • 414 W. Seventh Street • Sycamore

Mohawk Animal Hospital, located at 414 W. Seventh Street, Sycamore, opened Dec. 15, 2016. The focus is on care and service in the relationships with clients.

Mohawk Animal Hospital "offers high quality small animal veterinary care, digital x-rays, dental x-rays and personal service," says owner Sally Chevalier.

Chevalier earned her bachelor of science in agriculture in 1996 and her doctor of veterinary medicine in 2000 from The Ohio State University. She has 19 years of experience in clinical veterinary medicine and tries to provide a great experience for all of her clients and patients.

The team is committed to educating clients on how to keep pets healthy year-round, with

good nutrition and exercise.

Mohawk Animal Hospital stays on top of the latest advances in veterinary technology and above all, remembers that all animals and pets need to be treated with loving care in every check-up, procedure or surgery.

"We are committed to providing personal and individualized service to our customers. We want to know our clients and their pets," says Dr. Sally Chevalier.

Staff members include Amber Sauer and Liz Detray.

Amber, a registered veterinary technician, graduated the veterinary technician program from Penn Foster College with an associate of science degree. She has 19 years of experience

in the veterinary field and she has worked with Dr. Sally for most of her career.

Liz is a 2012 Mohawk High School graduate and also a registered veterinary technician. She completed her studies at Brown Mackie College-Findlay, where she earned her associate's degree in applied science with a study in veterinary technology.
