Home Health of Wyandot County

Neighbors helping neighbors • 105 Houpt Drive • Upper Sandusky

Since the merge with Hospice of Wyandot County in 2018, Home Health of Wyandot County has continued to grow!

Our organization has moved to 105 Houpt Drive, allowing an expanded professional nursing staff with ostomy and wound care certifications, state-tested nursing assistants and licensed social workers to help with resources location and advance care planning.

The dedication and commitment to our county was evident in the recently unannounced state survey resulting in a perfect score.
