Insurance from a name you know and trust • 202 E. Wyandot Avenue • Upper Sandusky

The Reid Insurance Agency is an independent, multi line insurance agency located in Upper Sandusky. Our Agency has been serving the Wyandot County area for 45 years. We offer quality home, auto, business, farm and life insurance.

The main goal of Reid Insurance is very simple ... to offer the best customer service available. In this world of buying online and 1-800 numbers it is extremely important to the Reid Insurance Agency to provide fast, friendly and efficient service.

Reid Insurance Agency has humble beginnings. Fred Reid founded the agency in 1975. After years as an executive in insurance sales management, Fred started the Reid Insurance Agency in Harpster from "scratch." The Agency was an immediate success due to Fred's unique combination of broad knowledge of insurance and a friendly, approachable personality.

In 1982 Fred joined Grange Mutual Casualty Company (Grange Insurance) as senior vice president. With the growth of Grange Insurance, Fred was soon elevated to the position of chairman, president and CEO. Fred's son Dan Reid purchased the Agency later that year. The Agency has continued to grow and pros-

per through the years serving customers throughout Wyandot County and the surrounding area. Reid Insurance Agency is indeed a local hometown agency.

Dan Reid is a native of Wyandot County growing up in Harpster. He has been a licensed agent since 1978. Dan is a graduate of Upper Sandusky High School. He graduated from Ohio Northern University in Ada in 1982 with a bachelor of science in business administration. Dan has continued his education and has earned three professional insurance designations. He has earned his CLU (Chartered Life Underwriter) and ChFC (Chartered Financial Consultant) through The American College of Financial Services in Bryan Mawr, Pa. Dan has also earned his CPCU, one of the highest designations in the insurance industry, through The American Institute of Insurance.

Throughout the years Dan has earned numerous sales and service awards from the insurance companies the Reid Insurance Agency represents. He has earned the senior partner designation, the highest distinction available, from Grange insurance for the past 36 years in a row. In addition, Reid has qualified for

Grange Life's President's Club for many years.

The Reid Insurance Agency offers a broad line of insurance products to the residents of the Wyandot County area. The Agency represents only financially strong insurance companies, including Grange Insurance, Kansas City Life Insurance, Columbus Life Insurance, Grinnell Mutual and Sandy and Beaver Valley Mutual.

While the focus of the Reid Insurance Agency is offering outstanding customer service, the Agency also offers competitively priced products. As Dan Reid shares, "We provide a unique combination not available on random Internet searches or an 800 number insurance company ... great price and great service."

The Reid Insurance Agency staff includes Dan, Amy Smalley, Betty Smiley and Wendy Reid.

Amy Smalley, a licensed agent, is the office manager for Reid Insurance Agency. She has been with the Agency since the fall of 2017, offering friendly and efficient service. Amy comes to the Agency after being in the banking industry for 29 years. She is a Wyandot County native.

Betty Smiley, a Wyandot County native, is a customer service representative at the Agency. She has been with the Agency in this role for 14 years.

Wendy Reid is also in the Agency primarily serving in the capacity of marketing. She has been a licensed agent since 1985.

The insurance world continually evolves rapidly and the competition is fierce. According to Dan Reid, "The Agency is ready to meet the challenges through the effective use of technology, automation and the most important quality ... good, efficient, old-fashioned

friendly customer service."
