

Westbrook Assisted Living

Comfortable. Caring. Affordable. Home. • 101 Westbrook Boulevard • Upper Sandusky

At Westbrook Assisted Living, our focus is not only on providing our residents efficient and timely care, but bringing life and happiness to our residents. Hear from Helen

Rife, a current resident, about what she thinks of Westbrook.

"I love it here! I did not want to leave my home when my family started bringing it up, but I am well satisfied. I was

able to bring my two little kitty cats with me when I moved in and I love my room! While I have been living at Westbrook, they have taken good care of me and all the questions I've had. I feel like they really care about me."

Here at Westbrook, you feel like family and you feel at home! We offer a home-like atmosphere with private rooms that include a private bathroom and kitchenette. Nursing is around the clock, with aides to assist in daily activities, ensur-

ing help is never far away. Our restaurant style dining offers home-cooked meals, or an a la carte menu.

Medication management, assistance with ambulation, dressing, bathing and transfers, are just a few of the many care services our staff may provide with one main goal in mind ... to maintain our residents' independence for as long as possible.

Give us a call at 419-209-1100 or check us out online at innatwestbrook.net.

You can also stop in anytime for a tour, with no appointment necessary.
