FCCLW Makes the “Connection”

By Helen Vogt Greene

The First Congregational Church (FCCLW) of Lake Worth, 1414 North “K” Street, is welcoming the Lake Worth community to make the new “Connections.” There is a Connection for each member of the family. There is a “Kid’s Connection,” a “Youth Connection” and yes, an “Adult Connection.” We all love to feel the “Connection.”

Rev. Jason Fairbanks, Pastor and the FCCLW congregation are welcoming the highly qualified and creative Dr. Nelson and Rev. Marilyn Stone as the "Connection" leaders. The Stones, both Congregational Ordained Ministers, are no strangers to the leadership positions.

According to Pastor Jason, those taking part in the new age appropriate “Connections” will be “connecting, preparing and receiving a spiritual message that accepts them as they are and helps them see who they might be in relationship with the Divine and one another.”

It is Pastor Jason's hope that at whatever age "God's children will experience and feel the "Connection" message of the true, full-welcoming and acceptance of God."

Rev. Marilyn Stone and a weekly adult volunteer welcomes all elementary school age students to explore "A Joyful Path" during the "Kid's Connection." Each class begins with a positive affirmation such as: "God is everywhere, within me and around me." Each new affirmation has a story time,

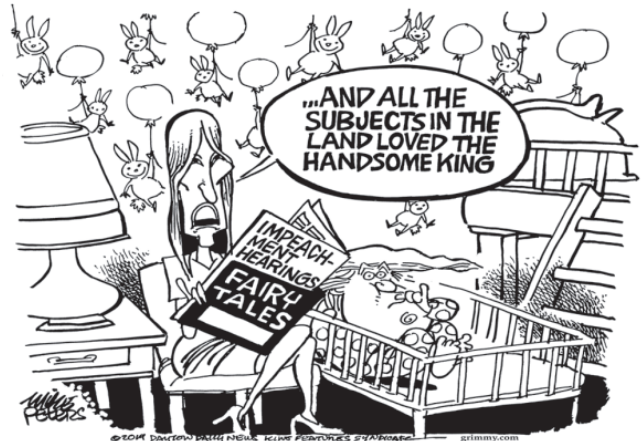

Rev. Marilyn Stone and Dr. Nelson Stone (Center) are the creative and talented leaders for the exciting ‘The Joyful Path’ for the new “Kids Connection” and the “Youth Connection” sponsored by the First Congregational Church of Lake Worth. All are welcome!

games and craft activities centered around that affirmation. The classes meet during the adult Morning Service at 10:30-11:30.

The exciting renewed “Youth Connection” led by Dr. Nelson Stone meets at their ‘special table’ in Studebaker Hall from 11:30-12:15. Led by Dr. Stone, the Middle School to High School students enjoy eating and discussing their own selected topics.

This group is planning ahead for a Youth Connection Camping Trip. A list of fun activities are being discussed. The camping trip will explore God's great outdoors and the opportunity for them to learn first hand how he become good stewards of the environment.

Beginning on Wednesday, December 4, the "Adult Connection" led by Dr. Nelson Stone, will begin the Advent evening class called "Room in the Inn: A Study of Christian Hospitality."

Drop Toys for Tots at the SWA through Dec. 18

Bring a little cheer to a needy child year by donating a new, unwrapped toy to the U.S. Marine Corps Reserve Toys for Tots Program. The Solid Waste Authority of Palm Beach County's Administration Building, 7501 N. Jog Road, West Palm Beach, is a drop-off spot for new, unwrapped toy donations now through 1 p.m. Wednesday, Dec. 18, during normal business hours.

Toy donations can be either for a boy or girl, from infant age to 15 years. The hardest age groups to fill are both boys and girls age 0-2 and 11 and up. No realistic looking weapons or gifts with food will be accepted or distributed.

The goal of the program is to deliver, through a new toy at Christmas, a message of hope to less fortunate youngsters that will assist them into becoming responsible, productive, patriotic citizens. The SWA joined in the efforts of the U.S. Marine Corps Reserve Toys for Tots toy drive in the 1980s and with the local community's generous participation, the SWA toy drive has grown each year.

For more information on the SWA's partnership with the U.S. Marine Corps Reserve Toys for Tots toy drive, call Aurora Ortiz, SWA Education Specialist, at 561-640-4000. A full list of Palm Beach County Toys for Tots drop-off locations is available online.
