

Sunset Homemaker Club

The Sunset Homemaker Club met on Thursday, May 9, 2019 5:00 pm Wendy's. President Barbara Jackson called the meeting to order.

Our lesson for this month was "The Gluten-Free Choice- is it for me?" The gluten-free diet is emerging as one of the most popular trends on the market, but gluten seems to be widely misunderstood. This lesson defines gluten, describes a gluten-free diet, and discusses who should follow this diet. Gluten is a protein found in wheat, barley and rye. Also frequently found in cereals, breads, pastas, and other bakery items. It is estimated that 1 in 133 people exhibit symptoms of gluten sensitivity. Those who have celiac disease cannot tolerate even the smallest amounts of gluten. Celiac disease is a genetic auto-immune disorder, now known to be hereditary, which causes a negative reaction to gluten in the gastrointestinal tract. A gluten-free diet is specifically meant for people who cannot digest gluten. If you wish a copy of the entire lesson, please contact the Extension Office.

Business meeting was conducted as usual thought for the month: "Learn from the mistakes of others. You

gone are the Ritz crackers, creamy Jif peanut butter, banana popsicles, clam chowder, Fig Newton bars, Beanie Weenies, A&W Root Beer, Frosty Flakes, and Hostess cupcakes that David enjoyed. I still notice them on the grocery shelves, but there's no reason to buy them anymore. And that, of course, reminds me of David. Lots of adjustments to make, and we're doing it. No other choice.

Barney Cat says, "How far you go in life depends on your being tender with the young, compassionate with the aging, sympathetic with the striving, and tolerant of the weak and the strong, ---- because some day you will have been all of these." "We" thank you for reading "our" column. Till next week.
