

Bluegrass Cellular Awards Scholarships

Twelve students from Central Kentucky will receive one of Bluegrass Cellular's annual \$1,500 scholarships to provide funds for their upcoming college tuition. In addition, a one-time scholarship has been awarded to Brianna Meeks in memory of Shelby Goode, a former Bluegrass Cellular employee who passed away. The Bluegrass Cellular Scholarship is now in its eighth year and is part of the company's annual initiative to support deserving, local, col-

lege-bound high school seniors. "Every year it is great to see the number of students in our community taking the next step toward bettering their futures," said Barry Nothstine, Vice President of Sales and Marketing. "We were incredibly impressed by all the applicants we had this year. Thanks to everyone who applied, and congratulations to the 2019 recipients!"

The 2019 Bluegrass Cellular Scholarship recipients include:

Addison Loy— Russell County High School

Payton Riggins— Russell County High School

The Bluegrass Cellular Scholarship Program is offered on an annual basis. Recipients were chosen based on their academic achievements, school/community involvement, scholarship essays, letters of recommendation and financial need. All scholarship winners live and attend high school within Bluegrass Cellular's 34-county home-service area.
