Thank You!

LAKE CUMBERLAND
LAKEFEST
1969 - 50 Years - 2019

Thank You from the City of Jamestown and Mayor Nick Shearer 50 Years! What a celebration. From the beginning, LAKEFEST has been a community endeavor. This year was no different. Thank you to the countless people who made this time-honored tradition possible. Our community is truly blessed with generous, hardworking, and incredibly talented people. To all the volunteers, sponsors, and community partners, we extend our heartfelt thanks. To our City Council and City Hall staff, well done! You are all outstanding! To the Jamestown Police Department, Jamestown Fire Department, Russell County EMS, Russell County Sheriff Office, and Kentucky State Police, thank you for working so hard to provide a safe environment for all who attended. To the thousands who attended, thank you for joining us this weekend. We hope to see each and every one of you back again next year!
