"Both teams performed well in what we

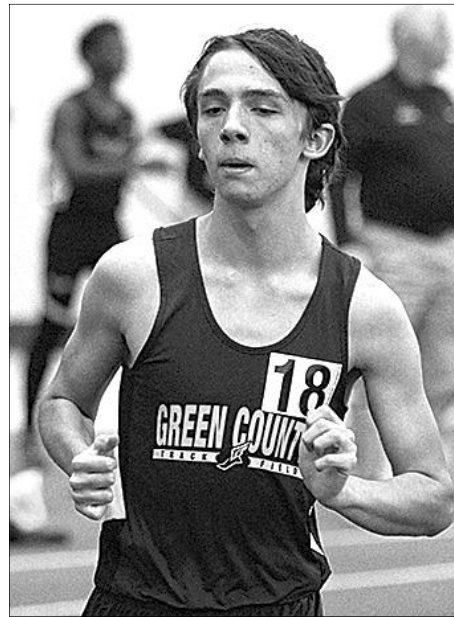

termed a "benchmark" meet. With several new faces, and several with new events, we knew we needed one competition to build on. We still had several great performances that will hopefully lead to big things in May. I'm very proud of the efforts both teams made today," said Head Coach Dan Kroy.

Green County's next indoor meet is scheduled for February 9, competing in the Ohio State University Buckeye High School meet in Columbus, Ohio.
