"This was a great meet. We set 15 indoor PR's and 7 overall PR's which was impressive considering that

OSU's track is the shortest we'll run on during the indoor season. Faith Taylor performed well with her 9th place finish in shot put. Top performances would have to go to Zach Jewell and Mason Stone. They ran very solid and competitive races, on a short track, and came out with big PR's," said Head Coach Dan Knoy.

Green County will compete in the Marshall University High School Indoor Meet in Huntington, West Virginia February 23.

Faith Taylor surpasses her 30' shot put goal. Taylor placed ninth individually with a throw of 30'8.75."

Green County's Indoor track and field team traveled to Ohio State University and competed in the Ohio State University Buckeye High School Qualifier Invitational. Nash Johnson clears 5'2" in high jump.

Eighth grader Amelia Creason finished first in her 200m dash heat with a time of 30.45 seconds.
