

Steven Olt gives final instructions to the FFA Junior and Senior Dairy Judging Teams.

THIS IS FFA

FFA helps the next generation rise up to meet world challenges by growing leaders, building communities and strengthening agriculture.

Today, we are still the Future Farmers of America. We are also the future biologists, future chemists, future veterinarians, future entrepreneurs, future engineers and future civic leaders of America.

We believe in the future of agriculture.

Help ensure FFA continues to thrive in your community. Visit FFA.org/local

Aubrey Gorin won First Place in the 2018 Floral Design competition at the Kentucky State Fair.

Students learn about the dairy industry at Rocky Run Farms. Steven Olt discusses cattle genetics.

In Proud Recognition of Our Future Farmers

Please join us in celebrating their accomplishments and bright futures during National FFA Week, February 16-23, 2019.

The National FFA Organization promotes the growth of tomorrow's agricultural leaders through education. We salute our local FFA members for their dedication to developing the leadership skills, confidence and career direction that will help them succeed in their chosen fields. From hard work on the farm to important lessons in the classroom, this FFA chapter has shown its strength and determination to achieve success.
