

Be the Inspiration

Photo by Walt Gorin

Mike Owsley, Rotary District Governor, surprised Greensburg Rotarians February 19 when he opened his blazer to reveal he had “Be the Inspiration” the Rotary International theme, sewn in the lining. Otha Ray Stearman, left, District Governor Elect, and Greensburg Rotary President Andre Calhoun, were inspired. Stearman presented Owsley, an Elizabethtown chiropractor, with the club banner. As the largest civic club in the world, Rotary has been a major force in the eradication of polio worldwide. In 1987, Owsley said, there were 300,000 cases of polio. Last year there were 29. All were in Afghanistan, Pakistan and Nigeria. Bill and Melinda Gates joined the effort by donating \$2 for every \$1 donated by Rotarians. Last year 99.9% of every \$1 donated to the Rotary Foundation was used for charitable purposes.

Prayer measure

Voting against the bill was Rep. Jeffery Donohue, D-Fairdale. Donohue said he represents a district where public schools serve students from diverse faiths and cultural backgrounds. He questioned whether the legislation would work for

school districts like his. “I think there’s going to be undue burden at some of the schools and especially in Jefferson County, because we have such a large population that they will not be able to accommodate everyone who wants to do that,” said Donohue. “And I’m just one

of those individuals, I don’t like to dictate to schools what their agendas are.” Supporting the bill was Rep. John Blanton, R-Salyersville, who questioned why the House is debating the right to pray. “Have you not read our preamble to our Constitution? Have

you not read our Constitution? Our Bill of Rights—do they not talk about God?” asked Blanton. “All we’re asking for is that our children have the opportunity, if they choose, to express their God-given rights.” HB 166 now goes to the Senate for consideration.

Legislative Update

The task force would be required to meet monthly during the upcoming legislative interim and to submit findings and recommendations to the Legislative Research Commission by December.

Supporters of SCR 46 said there are currently 71,000 Alzheimer’s patients in Kentucky. They added that 250,000 Kentuckians provide more than 20 hours per week of unpaid care for those individuals. SCR 46 passed by a 35-0 vote.
